

NANOMATERIALS: Applications & Properties - 2019

9-th International Conference on
**Nanomaterials:
Applications & Properties**
#NAP2019

Conference Chairs

Prof. Alexander Pogrebnjak

🏠 Sumy State University, Ukraine

✉ alexp@i.ua

☎ + 380 68 652 96 47

Dr. Valentine Novosad

🏠 Argonne National Laboratory, USA

✉ novosad@anl.gov

☎ +1 630 252 5507

15-20 Sept. 2019
Odesa, Ukraine

Topics

- Thin Films & Coatings
- Surface Science & Imaging at Nanoscale
- Photonics & Nanomaterials
- Magnetic & Electronic Materials & Nanodevices
- Nanomaterials for Energy and Environment
- Biomedical Applications
- Theory & Modeling of Nanoscale Systems
- Interdisciplinary Topics

Benefits

- One of the largest nanoconference in Eastern Europe
- Internationally renowned Plenary & Invited Speakers
- Cutting-edge scientific program & fascinating excursions
- Relaxed and easy-going Odesa's atmosphere
- Best presentation awards
- Proximity to Black Sea & beaches
- Exceptional Ukrainian hospitality
- Scopus & Web of Sciences indexed Conference Proceedings
- Selected papers publication in specialized journals
- 300+ international attendees are expected!

Important Dates

- Submission opened: January 14, 2019
- Submission closed: May 6, 2019
- Acceptance notification: July 15, 2019
- Program posted online: August 05, 2019
- Arrival confirmation: August 19 - 26, 2019

Schedule in your calendar!

Conference Fees

| | International | Ukraine & CIS |
|-----------------------------------------------------|---------------|---------------|
| Regular: | 300 EUR | 50 EUR |
| Ph.D Student: | 150 EUR | 25 EUR |
| Student: | 100 EUR | 20 EUR |
| IEEE NTC & Magnetics Society members discount: 20 % | | |
